<https://id.linkedin.com/in/mohammad-bintang-saputra>  
Pekalongan, Jawa Tengah

### OBJECTIVE

---

A dedicated and results-driven software developer with 4 years of hands-on experience in crafting robust and scalable solutions. My journey in the world of software development has been fueled by a relentless passion for turning ideas into reality through code.

I specialize in C# .Net, and Dart (Flutter). Over the years, I've honed my skills in Web Development and Mobile Development, enabling me to deliver high-quality software solutions that meet and exceed client expectations.

### EDUCATION

---

#### **Meta Industri Polytechnic | Cikarang, Indonesia**
